## WEAPONS CARRY AND PERMIT PACKAGE

Revised: 02/2017

Chief Christopher J. Parella  
East Providence Police Department  
750 Waterman Avenue  
East Providence, RI 02914

Dear Applicant:

By applying for a permit to carry a pistol or revolver with the City of East Providence, you are exercising your right under Rhode Island General Law 11-47-11. It is this statute that gives the East Providence Police Department the right and responsibility to administer this program in accordance with the law. It is intended as a service to the people of Rhode Island.

It is important to remember that a permit to carry a pistol or revolver does not authorize you to use the firearm. Other provisions of RI Law regulate such usage of a handgun. Please carefully read the enclosed policy regarding the issuance of the pistol or revolver permit. It is intended to serve as a guideline to aid you in understanding the authority and responsibility of the City of East Providence to carry out RI law.

Also contained in this application are the RI General Laws relating to weapons, known as the Firearms Act. Before you are granted a permit to carry a pistol or revolver, you must acknowledge that you are familiar with the provision of the Act.

The State of Rhode Island General Laws-11-47-11 can be accessed at:

[Http://www.rilin.state.ri.us/Statutes/Statutes.html](http://www.rilin.state.ri.us/Statutes/Statutes.html)

This application package does not include Federal laws pertaining to firearms. You must observe both Federal and RI laws. Federal law is administered by Federal agencies. For information relative to Federal regulation of firearms, you may contact the Bureau of Alcohol, Tobacco, Firearms, and Explosives.

(<http://www.atf.gov/>)

The application itself must be filled out completely and truthfully. It is a crime to knowingly give false information to obtain a permit to carry a pistol or revolver. Please read the instructions carefully and note that first-time and renewal applicants must supply all information being requested to the City of East Providence at the time of application.

The submission of the application for a permit to carry a pistol or revolver is the beginning of a process of review. The completed application will be reviewed by the Chief of Police and/or his designee. The process will culminate in an approval or denial of your application. If your application is denied, you will be advised by mail. The applicant may appeal the decision as set forth under Rhode Island Law.

A successful applicant for a permit to carry a pistol or revolver will be notified by mail to respond personally to the East Providence Police Department to obtain the approved permit. Please exercise your privilege to carry a pistol or revolver in the State of Rhode Island responsibly, properly, and safely.

Sincerely yours,

Christopher J. Parella  
Chief of Police

# **Pistol Permit Policy**

## **Introduction**

Pursuant to Rhode Island General Laws § 11-47-11, the City of East Providence shall issue a license or permit to carry a pistol or revolver to any person twenty-one (21) years of age or over upon showing a good or proper reason for the permit. This statute requires the City of East Providence to deny a pistol permit to all persons who do not demonstrate a good or proper reason, the City of East Providence then has the discretion to issue or deny a pistol permit.

The City of East Providence will exercise its discretion in a manner to protect the public at large, as well as the individual applicant for a pistol permit.

RIGL 11-47-11 further requires that all applicants must be:

- Twenty-one (21) years of age or over, having a bona fide residence or place of business within the City of East Providence or,
- Twenty-one (21) years of age or over, having a bona fide residence within the United States and a license or permit to carry a pistol or revolver concealed upon his or her person issued by the authorities of any other state or subdivision of the United States.
- Able to show a good or proper reason, and an understanding and acceptance of this important responsibility, to carry a pistol or revolver on their person.

Rhode Island General Law 11-47-13 provides for the revocation of any such license or permit for just cause at any time by the granting authority.

Pursuant to R.I. General Laws 11-47-15, the applicant must also qualify to obtain a permit. The right to carry a loaded, concealed firearm in public is different from the right to purchase or possess a handgun in one's own home or business. The privilege to carry a concealed firearm is limited to those who demonstrate a good or proper reason.

In regards to Firearms Permits for Minors and pursuant to R. I. General Laws 11-47-33 and 11-47-34, the City of East Providence can issue a permit to any person residing in East Providence under the age of eighteen after a concise review of the minor's application. Written consent from the applicant's parent or guardian is also a prerequisite.

The City of East Providence does not discriminate in the issuance of a pistol permit on grounds of race, sex, national origin, or any other reason prohibited by law.

## **Procedure**

An applicant for a pistol permit must submit the completed application, two (2) types of positive identification, and a full set of fingerprints on a FBI Fingerprint Applicant Card to the East Providence Police Department, office of the Chief of Police, 750 Waterman Avenue, East Providence, RI, 02914. A fee of \$100.00 (\$40.00 for the permit fee, which is non-refundable, and \$60.00 for administrative costs), payable by check or money order to THE CITY OF EAST PROVIDENCE, shall be assessed for processing fees and to allow the department to electronically file the fingerprints through the local, state, and federal law enforcement

database systems. Applicants must contact 401-435-7600 to make an appointment to have their prints taken. The East Providence Police Department will complete the required background investigation that will include checking court records and other sources for pending criminal cases, restraining orders and/or discrepancies in the applicant's background, including prior history of mental illness.

The City of East Providence will not issue a pistol permit to any applicant who is prohibited from possessing or carrying a firearm under any State or Federal law (e.g. 18 U.S. 922(g)) or pursuant to any court order.

It is the policy of the East Providence Police Department that all applicants for a permit to carry a concealed pistol or revolver shall include a psychological evaluation of the applicant, as part of the application being considered for approval.

If this initial check does not disqualify the applicant from obtaining a pistol permit, the City of East Providence shall review the application on an individual basis to determine whether there has been a showing of good or proper reason(s), as required by the statute, and whether the applicant is qualified.

### **Proper Showing of Reason(s)**

In considering each individual application for a pistol permit, the City of East Providence must determine whether or not the applicant has demonstrated a good or proper reason to carry a loaded firearm in public, and consider the individual's demonstration of skill and responsibility to safely carry and use a firearm in compliance with all State, Federal and local laws. Because a loaded, concealed firearm in untrained hands presents danger to the public and the applicant, the City of East Providence must consider countervailing risks to the public in assessing a good or proper reason.

While there cannot be any set formula or criteria to limit or restrict the City of East Providence's discretion to issue or deny a pistol permit, the City of East Providence considers the following factors in assessing an applicant's showing of good or proper reason:

- Has the applicant demonstrated a specific articulable risk to life, limb or property? If so, has the applicant demonstrated how a pistol permit will decrease the risk?
- Can the applicant readily alter his or her conduct, or undertake reasonable measures other than carrying a loaded firearm, to decrease the danger to life, limb or property?
- Are there means of protection available to the applicant other than the possession of a loaded firearm that will alleviate the risk to his or her person or property?
- Has the applicant demonstrated the skill, training and ability to properly use a firearm in accordance with Rhode Island laws?
- Has the applicant presented a plan to properly secure the firearm so that it does not fall into unauthorized hands?
- How greatly will the possession of a loaded firearm by the applicant increase the risk of harm to the applicant or to the public?

- Has the applicant demonstrated that he or she will not use the firearm for an unlawful or improper purpose, and that he or she has not used a firearm for an unlawful or improper purpose in the past?
- Does past unlawful, dangerous or violent conduct of the applicant justify denial at the City of East Providence's discretion even if it is not sufficient to disqualify the applicant as a matter of law from possessing a firearm?
- Has the applicant been issued a protective order pursuant to Chapter 15-5, Chapter 15-15, or Chapter 8-8.1 of the General Laws?
- Any and all other factors deemed lawful and appropriate by the City of East Providence to demonstrate that the applicant is or is not a person suitable to possess a loaded firearm in public.

**After assessing the above factors, the City of East Providence in its sole discretion shall grant or deny the pistol permit. In certain cases, the City of East Providence can issue a pistol permit with restrictions in lieu of a denial.**

In addition to these reasons, the City of East Providence will give consideration to those persons who seek renewal of existing permits who have demonstrated through their actions and experience a level of responsibility commensurate with that expected of one who is privileged to carry a loaded firearm in the public sector.

### **Responsibilities**

Approved holders must maintain, use, and store their firearm or firearms in a responsible manner. All permit holders are required to inform their respective city or town police departments, as well as the Bureau of Criminal Identification of the Department of Attorney General, within 24 hours of becoming aware of the loss or theft of a weapon or permit card. If you do not report a loss or theft timely, your permit may be suspended.

### **Conclusion**

This policy is meant as a general guideline to aid the public in understanding the City of East Providence's authority to carry out the requirements of the Rhode Island General Laws 11-47-11 and it shall be followed as a guideline in the assessment of applications for a pistol permit. This policy is not intended to and does not confer any rights on any person. As required by law, the City of East Providence shall retain the right to accept or reject any application for a pistol permit upon its sole determination of a good or proper reason.
